Independent Auditors' Report

Board of Directors and Management Native Seeds/Southwestern Endangered Aridland Resources Clearing House, Inc. Tucson, Arizona

We have audited the accompanying financial statements Native Seeds/Southwestern Endangered Aridland Resources Clearing House, Inc. (the Organization) which comprise the statement of financial position as of September 30, 2015, and the related statements of activities and cash flows for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards established by the AICPA Auditing Standards Board. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the September 30, 2015 financial statements referred to above present fairly, in all material respects, the financial position of Native Seeds/Southwestern Endangered Aridland Resources Clearing House, Inc. as of September 30, 2015, and the changes in its net assets and its cash flows for the year then ended, in conformity with U.S. generally accepted accounting principles.

Prior Period Financial Statements

The financial statements of Native Seeds/Southwestern Endangered Aridland Resources Clearing House, Inc. as of September 30, 2014, were audited by other auditors whose report dated March 25, 2015, expressed an unqualified opinion on those statements.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The 2015 schedule of functional expenses on page 15 is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole. The 2014 schedule of functional expenses on page 16 was subjected to the auditing procedures applied in the 2014 audit of the basic financial statements by other auditors, whose report on such information stated that it was fairly stated in all material respects in relation to the 2014 financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED SEPTEMBER 30, 2015 AND 2014

1. Description of organization and summary of significant accounting policies:

Organization:

Native Seeds/Southwestern Endangered Aridland Resources Clearing House, Inc. (Native Seeds or the Organization) was incorporated in Arizona in 1983 as a nonprofit corporation whose mission is to conserve, distribute and document the adapted and diverse varieties of agricultural crops and their wild relatives of the American Southwest and Northwest Mexico. Specifically, the goals of Native Seeds are to preserve specific genetic types, promote their use and that of their wild relatives by gathering, safeguarding and distributing their seeds to farming and gardening communities as well as working to preserve knowledge about their uses. Native Seeds' programs consist of the following:

Conservation - Conservation of rare arid lands crop seeds at the seed bank, including growouts at Native Seeds' farm.

Distribution - Retail seed, craft and food sales and seed donations to Native Americans; proceeds support Native Seeds' mission.

Membership and volunteers - Reaching out to the community through membership as well as volunteers.

Education - Increasing public awareness of seed stewardship through newsletters, social media, educational material, lectures, seed schools, salons and other means.

Estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial statement presentation:

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Resources are reported for accounting purposes in separate classes of net assets based on the existence or absence of donor-imposed restrictions. In the accompanying financial statements, net assets that have similar characteristics have been combined into similar categories as follows:

 Unrestricted - Net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors or may otherwise be limited by contractual agreements with outside parties.

YEARS ENDED SEPTEMBER 30, 2015 AND 2014

1. Description of organization and summary of significant accounting policies (continued):

Financial statement presentation (continued):

- Temporarily restricted Net assets whose use by the Organization is subject to donorimposed stipulations that can be fulfilled by actions of the Organization pursuant to those stipulations or that expire through the passage of time.
- Permanently restricted Net assets that are subject to donor-imposed stipulations that assets be maintained permanently by the Organization. The donors of these assets permit the Organization to use all or part of the investment return of these assets on continuing operations which may be subject to certain restrictions.

Revenues and support:

Revenue is recognized when earned. Program service fees and payments under costreimbursement contracts received in advanced are deferred to the applicable period in which the related services are performed or expenditures are incurred.

Store and catalog sales revenue is recognized when the merchandise is sold or shipped.

The Organization sells annual memberships entitling the purchaser to discounts on retail purchases and a subscription to its quarterly newsletter. Fees for membership dues are recognized ratably and in the fiscal year to which the membership applies.

- Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions. All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Endowment contributions are reported as additions to permanently restricted net assets.
- Support arising from donated goods and services is recognized in the financial statements at its fair value. Donated services are recognized when the services received meet one of the following criteria:
 - (a) create or enhance nonfinancial assets
 - (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.
- Although the Organization utilizes the services of outside volunteers to perform a variety of tasks that assist the Organization, the fair value of all these services may not be reflected in the financial statements because the above criteria are not met.

YEARS ENDED SEPTEMBER 30, 2015 AND 2014

1. Description of organization and summary of significant accounting policies (continued):

Cash and cash equivalents:

All highly liquid debt instruments purchased with a maturity of three months or less are considered to be cash equivalents.

All cash and cash equivalents are placed with various credit institutions. At times, such amounts may be in excess of the FDIC insurance limits; however, management does not believe they are exposed to any significant credit risk on cash and cash equivalents.

Inventory:

Inventory is comprised of program related merchandise held for sale in the gift shop and is stated at the lower of cost or market determined by the first-in, first-out method.

Accounts receivable:

Accounts receivable consist primarily of noninterest-bearing amounts due for educational programs. Native Seeds considers accounts over 30 days to be past due. Receivable balances are considered fully collectible by management; therefore, no allowance for doubtful accounts has been provided.

The carrying amount of accounts receivable is reduced by a valuation allowance that reflects management's best estimate of amounts that will not be collected. The allowance for doubtful accounts is based on management's assessment of the collectibility of specific doubtful accounts and the aging of accounts receivable. Receivables are written off when deemed uncollectible. The Organization has recorded allowances for doubtful accounts of \$0 at September 30, 2015 and 2014.

Property and equipment:

Property and equipment are stated at cost except for donated equipment, which is recorded at its fair market value at the date of gift. Property and equipment with a value of greater than or equal to \$1,000 and a useful life of more than one year is capitalized. Depreciation and amortization are calculated using the straight-line method over the estimated useful lives of the assets.

Functional expenses:

Expenses that can be identified with a specific program are charged directly to the program according to their natural expense classification. Costs incurred that share a common purpose are allocated to programs. Allocation bases include employee count, salary expenses, square footage and other operating expenses.

Advertising:

Advertising costs are expensed as incurred. Total advertising expense was \$13,315 and \$18,257 for 2015 and 2014.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED SEPTEMBER 30, 2015 AND 2014

1. Description of organization and summary of significant accounting policies (continued):

Tax exempt status:

The Organization is exempt from income taxes under both federal (Internal Revenue Code Section 501(c)(3)) and Arizona income tax laws, and is classified as other than a private foundation. Accordingly, no provision for federal and state income taxes is made. Income from certain activities not directly related to the Organization's tax-exempt purpose, however, may be subject to taxation as unrelated business taxable income (UBTI).

GAAP requires management to perform an evaluation of all tax positions taken or expected to be taken in the course of preparing the Organization's tax returns to determine whether the tax positions meet a "more likely than not" standard of being sustained under examination by the applicable taxing authorities. This evaluation is required to be performed for all open tax years, as defined by the various statutes of limitations, for federal and state purposes.

The Organization is only subject to income taxes on UBTI as applicable. As a result, the Organization is required to file informational returns for federal and state purposes and, if it has UBTI, federal and state income tax returns. Management has performed its evaluation of tax positions taken on all open tax returns and has determined that there were no positions taken that do not meet the "more likely than not" standard.

From time to time, the Organization may be subject to penalties and interest assessed by various taxing authorities, which are classified as administration expenses if they occur.

Subsequent events:

The Organization's management has evaluated the events that have occurred subsequent to September 30, 2015 through March 19, 2016, the date that the financial statements were available to be issued. Management has no responsibility to update these financial statements for events and circumstances occurring after this date.

2. Promise to give:

Promise to give consists of a pledge from a foundation which is expected to be collected in less than one year.
